

An Invitation to Visual Artists

"Third International Women's Peace Conference"

www.womenspeaceconference.org

Greetings all artists!

You are cordially invited to submit artwork to the Third International Women's Peace Conference in Dallas, Texas, July 10-15, 2007. The art will be an important part of the conference, serving to express an international energy for peace that inspires and empowers peacemakers. We hope you are coming but if you cannot, please send your art as your proxy.

The theme of the art exhibition is "Vision of Peace". We ask for works on paper approximately 8.5 inch by 11 inch (22 cm by 28 cm). Any type of paper and medium is acceptable as long as the materials used are well fixed to the paper. Digital artists and photographers will provide a print, within the required size, and send it as a work on paper. All works on paper should be **unmatted and unframed**.

If you send colorful stamps on your mailings, we will display them for all to enjoy.

Send your art piece to: Peacemakers, Incorporated
3800 Parry Avenue
Dallas, Texas 75226, USA
Attention: Barbara Nehman, Art Coordinator.

The art pieces are sent as love offerings from the heart and will not be returned. With your written permission (see statement below) the art pieces will be made available for sale in a silent auction to raise money to support post conference communication.

We hope that the vital issues addressed at the conference will help us develop strategies for peace at all levels of our lives. Your art reflects your personal focus, dreams, and intentions for peace in the world. Your name will be recognized at the conference.

We thank you for contributing your art. We look forward to your participation and to meeting you through your art and in person. **The deadline for submissions is June 1, 2007.**

Please sign below and return with your artwork if granting permission to auction your art piece.

I give Peacemakers Incorporated permission to auction my art piece at the July 2007 conference with all proceeds to support post-conference communication.
